

Joke

Why are women's breasts like a train set a kid gets at Christmas time ?
Because they were originally made for children but the father wants to play with them.

Merry Christmas & Happy New Year

to one and all

PRESIDENTS REPORT

Hi One and All

Firstly I would like to congratulate all those that took part and particularly my fellow committee members on a great effort, The Annual Charity & Toy Ride was a great success I let John Van Der Heul fill in the details on how much was raised etc. Apart from a couple of breakdowns, a minor fall (no not me this time) and couple of organising glitches (we, my self included made a couple of mistakes which will be rectified next year) it all went well.

Due to the fact that I am now working in FONE ZONE in The Stocklands Centre Batemans Bay my mobile will be switched off during working hours but I will be checking it at lunch time and as soon as I finish, so I apologise in advance for not being able to answer your calls till later but feel free to leave a message and I will return your call that evening.

To finish off, Ann and myself wish YOU ALL a very Merry Christmas and A Happy New Year, so remember to keep smiling and Ride Safe over the silly season.

Bye for now

Hans
