Presidents Report:

Hi One and All

We are now 1 year old and have had our first Branch AGM, John Van Der Heul was nominated for the position of Secretary / Treasurer and accepted, Ernie Baddeley was nominated for the position of Ride Coordinator and accepted Tony Pye volunteered to help Ernie and to also sit on the committee, and I was voted in as president. If there is any body else that would like to help or sit in on a meeting/s Please don't hesitate to come forward. I would like to thank all the members for their support over the last year and I will strive with your help to make our branch a great Ulysses branch.

The special events branch shirt is on it's way and will be here in time for the Geelong AGM, future order's for the shirt's will be taken and ordered when sufficient numbers can reduce the freight charges.

We will be trying to make the rides interesting with more overnight rides and maybe some new destinations, If you know of any let Ernie or Tony know, remembering that the more you participate the better OUR ULYSSES BRANCH will be !!

Once again I thank you all for your support in getting the branch this far.

Hans

Laugh with Ernie

After a long night of making love, the young guy
rolled over, pulled out a cigarette from his jeans
and searched for a lighter. Unable to find it, he asked
the girl if she had one at hand. "There might be some
matches in the top drawer", she replied. He opened
the drawer of the bedside table and found a box of
matches sitting on top of a framed picture of another
man. Naturally the guy began to worry. "Is this your
husband?" He inquired nervously. No silly, she re-
plied, snuggling up next to him. "Your boyfriend
then?" he asked. "No, not at all." She said, nibbling
away at his ear.
"Well, who is he then?" demanded the bewildered
guy. Calmly the girl replied, "That's me before the
operation."
