Presidents Report:

Hi One and All

What a month December turned out to be , first we had the very successful Charity Run and Then the Christmas party , **A RECIPE FOR SUCCESS** -- 1 great venue 2 reasonable weather 3 great company 4 low cost, add food , drinks and music, mix or shake whichever takes your fancy, then to top it all off a place to sleep, everyone had a great time there were some funny sights, then as usual the comedians made their appearance ,I couldn't decide if Young John was an Old Blind Transvestite Tart or Fart but he definitely needed a silicon top up in his boobs, Ernie as always leading him astray , with helpers like them Santa's really got his work cut out. The rides have been interesting with a few new destinations the ride to Kiama was fantastic with some breath taking scenery on the return trip via the Kangaroo Valley, we'll have to do it again !

All the people whom are planning to camp at The Geelong AGM and would like to camp together can they please contact me with their receipt number and name ASAP , after 1/2 a dozen phone calls around the country I have only just been able to get hold of Leon Millard and got an address to send the list to (the NATCOM knew nothing of the arrangement to allow group site booking ,as some of you know this was not allowed before) **Ernie tells me he has had very few takers to the Temora weekend away , so if you are interested ring Ernie on 44767436 ASAP so he can finalize bookings .**

Allen and Karen had a bit of misfortune on their holiday up north on New Years Day a Tintop pulled out in front of them and Allen was not able to avoid it , I'm just pleased the damage was minor but Ouch they look a bit sore.

And last but not least next month's meeting at The Monarch Motel Hotel is going to be our First Branch AGM and birthday so please come and share your views or suggestions on how we can improve or change the the ways we have done things , Complaints are just as welcome as Compliments .If you would like to help on a committee level let us welcome you, the more the merrier. All suggestions are welcome, the Monarach is providing us the use of their BBQ but if you want other anything else the take-away is just up the road, lets see if we can't make a party out off it after all we are 1 year old, **HAPPY BIRTHDAY EVERY ONE . See you there.**
