## PRESIDENTS REPORT

Hi One and All

As most of you are aware next months quarterly meeting at Bermagui is also our 2nd AGM which involves the elections of committee members the meeting will be kept as short as possible so you wont fall a sleep. I can't stress strongly enough how important it is that even if you only come to one meeting in the year you make the effort to come to this one, even if you only come for the good and affordable meals served at The Waves Bar and Grill.

We will also be looking to set up a committee for the charity ride in December now so we can be right on the ball with making sure there are less hassles.

Also it is also important that all people wishing to camp together at the Canberra AGM or just travel together to come so that you can organise your travel arrangements, I will not be arranging group camping but if someone else wants to that's fine.

Lastly I would like to congratulate and thank All the people that have helped and supported our efforts to make this branch work for the last two years, I am sure that I speak for all those concerned (the committee members) that we could not have done what we have and will endeavour to do to build up this branch with the feedback from the members but we need more feedback.

It's no good complaining to Joe Blow down the street about things, come straight to us WE WILL LISTEN BECAUSE IT MIGHT JUST BE SOMETHING WE HAVE OVERLOOKED none of us are perfect we are just trying to cater for ALL but without your feedback we can not do this! SO KEEP THE IDEAS AND FEED BACK COMING ,BECAUSE WE COULD DO WITH MORE.

Anyway I have rambled on long enough so till I see you again Ride Safe and enjoy the best pastime ever invented, bye for now.  
Hans
